About Me

I'm a Passionate designer & developer who loves simplicity in things and crafts beautiful user interfaces with love. Python Django developer and a 3-month internship experience at Avodha Edu Tech. Committed to creating efficient and scalable web applications using the Django framework.

Experience

Avodha Edu Tech 2023(May - July)
Python Developer

Throughout my journey at Avodha, I have likely gained a deep understanding of Python programming and its applications, as well as hands-on experience in building web applications using the powerful Django framework. This knowledge will undoubtedly serve as a solid foundation for my career as a Python developer.
